Class History

As we conclude our unforgettable four years of high school and venture forth into a more complex society, let us take with us those memories of our bygone days of life in high school life. As we reminisce about our previous days of life in high school, we'll remember the shyness and uncertainty that we knew as Freshmen. During our Sophomore year we gained the necessary confidence that comes with experience and knowledge. With the advent of the Junior year we increased our incessant efforts to gain the money for the social hi-lite of our four years -- the Junior-Senior Prom. In the year just completed we worked with feverish efforts to present the Annual that will forever be a constant reminder of our illustrious high school days. With the memories of these days firmly planted in our minds, we venture forth confidently.

Class Will

We, the members of the Senior Class of 1959, of Armstrong High School, County of Vermilion, State of Illinois, being of sound mind and body, do hereby declare this to be our last will and testament.

To Mr. Husted we leave a ten-mile per hour speed limit in front of the school.

To Mr. Ahlf, we leave a taxi service so he won't have to walk so much.

To Mr. Stagen, we leave a class of model boys and a new scorebook.

To Mr. McDevitt we leave a Mc-Devy-dog to tramp the brush on those exciting hunting trips.

To Mr. Bezely, we leave a box of tranquilizer pills so he won't get so excited at the games.

To Mr. Sanderson, we leave a better General Math Class.

To Mrs. Laury we leave a quieter Library and more "no talking" signs.

To Mrs. Seibold we leave a class that will be more interested in Shakespeare.

To Mrs. Roberts, we leave a time writing clock that won't work.

To Mrs. Anderson, we leave skirts -- fender skirts that is.

To Mr. Heck, we leave two-four barrel carburetors to put in his hot '55 Chevy.

To Mr. Ping, we leave honest students that will put down the correct time for practicing their instruments.

To Mrs. Ping we leave a group of aspiring young homemakers.

To Betty Kinney, we leave a group of students with nickels for the milk machine.

To the cooks we leave a group of hungry students.

To the Janitors, we leave students that won't litter the halls.

To the Bus Drivers, we leave more front seats so they can keep a watch over the over-boisterous boys.

To the School Board we leave our gratitude for their aid in the four wonderful years we have spent at A. T. H. S.

To the Underclassmen, we leave a school that we, as seniors, have tried to make better through our short years here.

Class Prophecy

While listening on the party line we heard news of our '59 classmates now living in many parts of the world.

Alaska seems to be a popular state now. JOHN DEWEY is living there and is very busy raising bees. GERALD CHESTNUT raised a bumper-crop of snowgirls instead of snowmen. JIM WARD is an agriculture instructor; he is teaching the Eskimos a new method of fishing through the ice.

The CORRINE FRYE Dancers are starring in a large dance hall in Texas owned by none other than LAWRENCE HAYN.

In Gifford, DONNA CORNELL is instructing her ten daughters to cheerlead.

GARY HANNAGAN is exhibiting the only pink horse in existence, throughout the United States.

Living in California we hear that ANDY HARRISON is now a millionaire after producing the car of the year which is a Kaiser.

In the hills of Kentucky ARLEN REYNOLDS is practicing Dentistry; he is assisted by his able medical technician, JEAN PIATT.

We hear that Sherlock DIVAN has tracked down many criminals in England.

DICK FREDRICKSON, M.D. has quit veterinarian work because everything he worked on died.

DUDLEY SEVERS is principal of Armstrong Girls'Reformatory and the warden is RUTHANN AULT.

MARY JONES, now a Paris dress designer, has created some new styles this season. Also in Paris, ETHEL CHENOWETH is head nurse at the old-men's-home.

JACKIE TUCKER and her beloved were recently married by ERVIN HESTERBERG.

PEGGY VINSON is head saleswoman of the reducing machine in Collison. Her best customer is MARVIN WERNICK.

CONNIE GOSSETT has received the title as World Champion Hula-Hooper.

CAROLYN ASHCRAFT, a child's barber, is very busy with her five sons in Penfield. The new star of the Zane Grey Theater is GEORGE POWELL.

DAN BOOHER is dietitian for Brookfield Zoo.

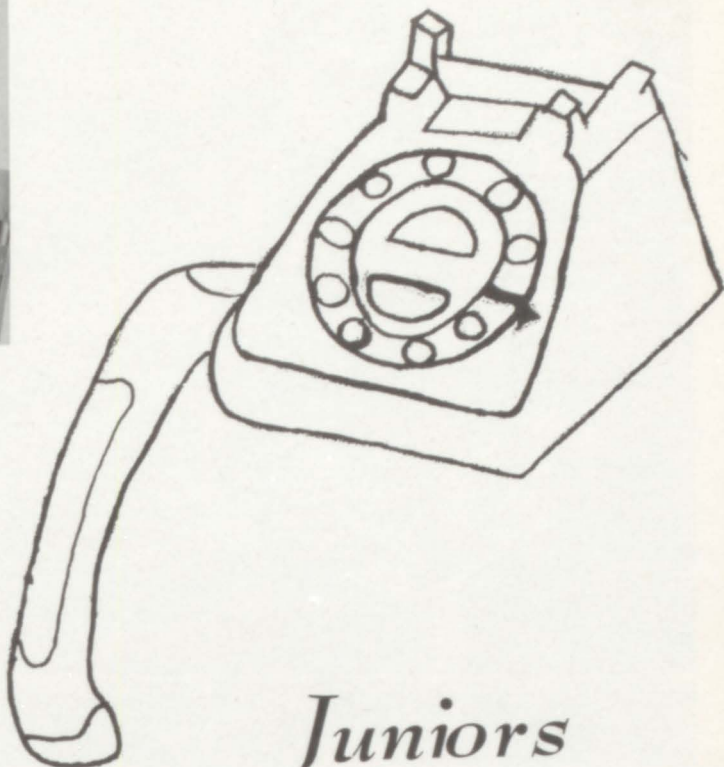

In the darkest part of Africa, LE ROY KENNEY is a missionary.

TOM GORDON is the new Republican governor of Arkansas. He has ironed out the school problems.

NORMAN RADEMACHER is the owner of a large goat-dairy near Armstrong.

LARRY THORNTON is assisted by CAROLYN TUCKER as head salesman in the lingerie department of a Chicago store.

And the biggest success of the class is LEON BUSBOOM owner of the bermuda short factory in Penfield.
